PREAMBLE

Alcoholics Anonymous is a fellowship of men and women who share their experiences, strength and hope with each other that they may solve their common problem and help others recover from alcoholism. The only requirement for AA membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization or institution and does not wish to engage in any controversy, neither endorses nor opposes any cause. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
