Feature Article This month they have been copied from AA Blogs

Sam [Chazzi2](#) • 4 months ago

My name is Sam and I am an alcoholic. I am sober for 7 months now and I don't think I have ever felt as good as I do right now. I am just starting to work on the 4th step and couldn't be more excited about this journey. I have seen incredible results by following exactly what this program says to do. When I stray from it, I wind up having a bad day and do not feel as good. I lead a meeting last night for the first time and I was pretty nervous. My sponsor told me that I would be helping so many people in that meeting by sharing my story and in turn would help myself. So I bit the bullet and did it and everyone in there appreci-

ated my story and thanked me for sharing. What an incredible feeling. If the AA tradition stated that I should or should not do something then I would follow it to the absolute best of my ability and that with whatever decision I made then all I would have to answer to is my higher power, and from what I've learned and experienced so far my main purpose is to keep my higher power happy, and in turn I have felt incredible and so thankful to be alive and able to experience all the good things in life. Basically what I am trying to say is that I owe my life to the AA program. If AA says something is frowned upon because it goes against a tradition or what AA stands for then I

wouldn't think twice about it. Where I am in the program right now I am still learning a lot and some situations are harder to deal with than others but all I can do is follow this program exactly as it is designed and know that I can help and serve other alcoholics just by sharing my story and passing AA's message on to others. I hope this helps!

What is the Intergroup?

Each group is encouraged to have an Intergroup Representative. This person is the liaison between Intergroup and their home group. The Intergroup Central Office depends upon the local members and groups for the necessary support to carry out its responsibilities. This support comes in the form of volunteer help and financial contributions. Our efficiency and the continuation of services offered are related to the level of support from the groups. Your Intergroup Rep must be a registered at Central Office. Any A.A. member is welcome to attend the Intergroup or Board meeting as a guest. If your group is interested in joining Intergroup, send a member to the meeting, or to Central Office, and we will gladly give you all the information you need to get started.

“The Intergroup associations are the best insurance we can have that our life lines to the hundreds of thousands yet to come will never break or tangle. Let us always be generous. Let us warmly support Intergroup.” AA co-founder Bill W. 1949

What you get from Central Office!

During the day, your Central Office keeps the doors open to assist recovering and suffering AA members alike and provide the following services:

We stock and sell all kinds of Big Books and Twelve Steps and 12 Traditions.

We also have assorted literature and pamphlets from GSO, various books from The Grapevine, chips, newcomer packets, and AA birthday cards.

Your office manager organizes volunteers, makes sure the office is a healthy place for all, keeps your accounting data accurate, and safe guards your inventory. The office manager is there to support the groups and the individual members of our fellowship.

We make and distribute your meeting schedules and the Gratitude Gazette.

Twenty-four hours a day, seven days a week, volunteers take calls from suffering alcoholics and organize 12 step calls.

The phone line and special call-forwarding are paid for by your central office contributions.

Please ask at your next business meeting if you are contributing monthly to your Central Office. It doesn't have to be a lot.

Being self-supporting means not only paying for your rent and coffee, but also paying for the services you receive from Central Office.

If your group has stopped contributing (or never started), please bring it up at your next business meeting.

We invite you to come by our beautiful Central Office in Old Town Temecula for a cup of coffee and talk with our volunteers. If not, call us at (951) 695-1535 or email us at temeculaaa@verizon.net.

We value your input!

Come and join us!

Step One

We admitted we were powerless over alcohol - that our lives had become unmanageable.

Tradition One

Tradition One

Our common welfare should come first; personal recovery depends upon AA unity.

12th Step Guidelines

How It Works

The fact is that most alcoholics, for reasons yet obscure, have lost the power of choice in drink. Our so-called willpower becomes practically non-existent. We are unable, at certain times, to bring into our consciousness with sufficient force the memory of the suffering and humiliation of even a week or a month ago. We are without defense against the first drink.

- A.A. Big Book, p. 24 (Substitute your own addiction for *drink* if your addiction is different than alcohol)

[More about Step 1 in the Big Book](#)

LOOKING FOR A WAY TO BE OF SERVICE?

Our "HOTLINE" is a great way to be of service. When Central Office is closed a member of Alcoholics Anonymous answers the phone EVERY time. The phone call may be as simple as "where is a meeting?" It may be an alcoholic who needs to talk, be visiting from out of town, etc. For more information on the Hotline visit our website and click on the "HOTLINE" link at www.temeculacentraloffice.org

Central Office Service

Please call **(951) 695-1535** if you can be of service at Central Office by volunteering for time slots to answer phones and help walk-ins. Volunteers are always appreciated, and of course you get the grand reward... **Sobriety for another day!**

BRIDGING THE GAP

Bridging the Gap is designed to help an alcoholic between a treatment program or prison make the transition. One of the more slippery places in the journey to sobriety is between the door of a facility and the nearest AA group or meeting. AA experience suggests that attending meetings regularly is critical. In order to Bridge the Gap, AA members have volunteered to be temporary contacts & introduce newcomers to AA. It is suggested that the temporary contact take the newcomer to a variety of AA meetings; introduce him or her to other AA's; insure that he or she has some phone numbers of several AA members and share the experience of sponsorship and a home group.

Temecula Valley is in the process of coordinating this committee. Volunteers are needed.

Please call Central Office for more information (951) 695-1535

Here's to alcohol: the cause of, and solution to, all of life's problems. *Homer Simpson*

A drunk was laying at the side of the road when the police pulled over and asked him if he was alright? He said yes he'd just found a good parking space and his wife was away to get the car!

... and he was late for a meeting. He circled and circled but there were no parking spaces to be found. Finally he cried out, "God, please, please help me find a parking space!" Just then a car pulled out of a space right in front of him. "Never mind," said the alcoholic, "One just opened up."

Now, don't say you can't swear off drinking. It's easy. I've done it a thousand times. *W C Fields*
